**Re: Enrichment Clubs and Activities**

Dear Parent,

Further to my letter dated 1<sup>st</sup> September, specifically in respect to Personal Development and Enrichment (PDE), I have included links to the Academy's [Enrichment Booklet](#) and [Enrichment Timetable](#).

I cannot stress enough the importance of your child's participation in clubs and activities, not only in terms of their wider personal and social development, but also in becoming a fully integrated member of the school community.

The Enrichment Coordinator, Mr. K. Danson, will be monitoring participation throughout the year and proactively intervening where appropriate. He will also be available to talk to parents and pupils on the Year 7 Primary-Secondary Transition Evening on **Monday 17<sup>th</sup> October**.

Yours sincerely,

Mr. N. Houchen  
Principal
