

Believe, Succeed, Together

Provider Access Statement

Introduction

This document sets out the school's arrangements for managing the access of providers to pupils at the Academy for the purpose of giving them information about the provider's education or training offer. This complies with the Academy's legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in years 7-11 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of Provider Access Requests

Procedure

A provider wishing to request access should contact **Head of Careers, Mr. N. Dunn**.

Telephone: **01702 524341**

Email: NDunn@eastwood.southend.sch.uk

Opportunities for Access

The Academy offers a comprehensive Careers Education, Information, Advice and Guidance (CEIAG) programme and an overview of this programme can be seen in Careers Strategy and Provider Access Policy.

Please speak to the **Head of Careers** to identify the most suitable opportunity for you.

The Academy will make a suitable space available for discussions between the provider and pupils, as appropriate to the activity. The Academy will also make available ICT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the **Head of Careers** so that they can be displayed in appropriate places within the Academy e.g. Reception and ICT6.

CEIAG Programme
