DEVELOPING FUTURE LEADERS

You have been chosen as a prefect based on certain skills and qualities that you have or the potential that has been recognised in you. You will also gain additional skills within your prefect role, developing the skills and qualities of leaders.

The Basic Skills of Outstanding Leadership

Integrity

Integrity is about being honest and having strong moral principles. It means treating others as you would wish to be treated. Integrity is about respecting others and developing trust.

Communication

In the Student Leadership Team, communication is vital both between leaders and followers, but also across the whole team. Clear communication facilitates organisation and discipline. It helps to motivate and inspire, informing members, whilst also seeking out information to build a strong team.

Relationships

Developing relationships is essential for communication and building strong teams. Interpersonal relationships need to be nurtured to ensure all members ensure the ethos of the team.

Persuasion

The ability to influence others and guide them in another direction is an essential skill in leadership. It directly correlates with the trust that people put in you and the strength of your communication and relationship skills.

Adaptability

A strong leader will understand the importance of being flexible and willing to change direction to ensure the success of the strategy, taking this all in their stride. The sign of a good leader is someone who does not stay still, but is willing to embrace change and see it as opportunity.

Teamwork

The Student Leadership Team is a team of Prefects, linking in to the wider Academy Prefect system. Each member will have different skills, personalities and strengths to bring to the role. It is essential to the success of the team that everyone understands that not one person can do it all, it is teamwork that makes the system a success. A leader must know how to build and nurture such a team.

Decision-making

A leader must be able to process information, identify what is relevant, reflect and then take actions based on that decision. Making decisions too quickly or too slowly will impede your leadership effectiveness.

PREFECT CONTRACT

Prefects have to sign a contract and a copy of this will be kept by Mrs. Niner. If any prefect fails to adhere to the contract, their badge and status will be taken away.
